

# Take Back Fairytales! A Virtual Drama Experience

## What do golden hair, just right porridge and magic beans all have in common?

In this virtual experience students journey into Fairytale Land to discover the villains have switched the storylines to popular fairytales. Using dramatic techniques and expressions, children will search for the magic spell ingredients that turns everything back to normal.

Aided by magic cloaks, carpets and a Princess, children will be the heroes in this special Zoom experience. Narrative writing will take on a whole new meaning afterwards!

## How long is the session?

45 minutes with a 15 minute pre-session tech check.

## What do I need ?

This session is perfect for both onsite and offsite children, or a blend of both.

If they are onsite you will be utilising your computer & screen set up. If they are offsite we will manage the experience with maximum numbers of 25 children per session. We can run multiple sessions in one day to cover all your groups/classes.

All children need is a pot, a spoon & a length of fabric or material such as a bath towel.
